BOX OFFICE/CHECK IN

The production is outdoors and in the open air at P St Beach Park. The Park is a grassy field and has some uneven surfaces, including an incline near the seating area. Audiences are advised to use caution for walking through the park.

Box office will be located at the intersection of 23 rd St and O St. Please meet our team here to check in for the show.

There is a gravel walkway into the park but it is not fully approved for wheelchair access.

Seating will begin at 7:10 – the show will begin at 7:30.

Seating will be a combo of picnic blankets and limited folding chairs for patrons who need them. If you'd like to bring your own lawn chair, you are welcome to do so.

Upon entry, all participants will be required to wear masks. Solas Nua will provide a mask if anyone does not have one.

Following national CDC guidelines, the audience will be limited to 40 patrons per show. Seating will be socially distant from other patrons and in designated areas. Please do not move your seating location.

Audiences will receive a set of headphones to hear the play. The headphones are disinfected every day. Please return your headphones following the performance.

LEAVING THE PARK

The show runs approximately 70 minutes. Audiences will be asked to leave the park immediately following the post-show curtain speech. The park closes at dark.

Please leave using the same gravel walkway for the entrance, keeping social distance from other patrons as you depart.

Thank you for observing these guidelines to ensure a safe, enjoyable experience for everyone!
